# BIN ICH SCHÖN?

Am I Beautiful? is about the dream of one's ability to be someone else. We follow the interlocking stories of four couples in their quest for happiness – people who want to make a change, come together again, and lose sight of each other, in Germany and in Spain. We experience their longings, disappointments and joy...

Franziska who marries the wrong man in order to put an end to her great but troubled love for Klaus; Klaus who mourns his love Franziska and wanders through Spain until he finally meets Linda; Herbert who has an affair with Jessica who silently slashes her wrists in the bathtub in his house; Unna, Herberts wife, who finds her old flame David again...
